

Appendix 1

Retail Banking (KFH Online)

Logo to Use:

Logo position:

MINIMUM SIZE AND CLEAR SPACE

Good Things Come In Small Sizes

The minimum size for JomPAY logo to be reproduced is 10mm in height and width or 28 pixels in digital format.

Everyone Needs A Little Space

The clear space area is the space around the logo in which no other type or graphic elements can encroach.

These clear space requirements should be used to ensure the logo is clearly recognised.

The clear space around the JomPAY logo is defined by the height of the "om" in the logo. (Figure 1.1)

Ensure that clear space exists on all four sides of the logo, not less than the height of the "om". (Figure 1.2)

When the logo is placed next to another logo, additional clear space is required. (Figure 1.3)

When using the logo on a dark, blue, black or cluttered image background, the clear space should be applied from the outer edge of the white border. (Figure 1.4)
